

Petsfolio

About Petsfolio

Petsfolio is a comprehensive digital pet care platform that connects pet parents with verified pet care professionals through the Petsfolio Client Application. The platform simplifies pet care by allowing users to manage their pets, discover trusted service providers, book services, make secure payments, and track bookings from a single application.

Petsfolio is designed to provide a safe, transparent, and convenient ecosystem for pet parents while supporting professional pet care providers with a reliable booking and service management platform.

Download the Petsfolio Client Application

The Petsfolio Client Application is the official mobile application for pet parents to access all Petsfolio services.

Users can download the application using the following links:

Android (Google Play Store):

<https://play.google.com/store/apps/details?id=com.petsfolio.customer>

iOS (Apple App Store):

<https://apps.apple.com/in/app/petsfolio-pet-parent/id6746559723>

Official Website:

<https://petsfolio.com/>

The Petsfolio Client Application allows users to:

- Register using their mobile number.
- Create and manage pet profiles.
- Book pet care services.
- Compare quotations from service providers.
- Make secure online payments.
- Track active bookings.

- View booking history.
- Receive notifications.
- Contact customer support.

Important: Users must download the Petsfolio Client Application to register and book any Petsfolio service.

Vision

To become India's most trusted and comprehensive digital pet care ecosystem by making professional pet care services easily accessible to every pet parent.

Mission

Petsfolio aims to simplify pet care by connecting pet parents with verified professionals through technology, ensuring convenience, transparency, safety, and high-quality service.

What Petsfolio Offers

Petsfolio enables pet parents to access multiple pet care services through a single mobile application without searching for individual service providers.

The platform allows users to:

- Register and manage their account securely.
- Add and manage multiple pet profiles.
- Discover verified pet care professionals.
- Book professional pet care services.
- Compare service provider quotations.
- Make secure online payments.
- Track booking progress.
- View booking history.
- Receive notifications and updates.
- Rate and review completed services.
- Contact customer support when required.

Supported Pets

Petsfolio currently supports the following pets:

- Dogs
- Cats

Service availability depends on the selected service.

- Dogs
 - Cats
-

How Petsfolio Works

The general workflow for using Petsfolio is:

1. Download the Petsfolio Client Application.
2. Register using a valid mobile number.
3. Verify your mobile number using OTP.
4. Complete your profile.
5. Register one or more pets.
6. Select the required pet care service.
7. Enter the booking details.
8. Submit the booking request.
9. Receive quotations from eligible service providers (where applicable).
10. Compare service providers.
11. Select the preferred quotation.
12. Complete secure payment.
13. Track your booking.
14. Receive the booked service.
15. Rate and review the completed service.

Service Availability

Petsfolio services are available only in locations where verified service providers are available.

Service availability depends on:

- Selected city
- Service coverage
- Availability of service providers
- Availability of the selected service

Some services may only be available in selected cities.

Verified Service Providers

Petsfolio works with verified and trusted professionals to maintain high service quality.

Depending on the selected service, providers may include:

- Professional Dog Walkers
- Professional Pet Groomers
- Professional Pet Trainers
- Pet Sitters
- Veterinary Doctors
- Insurance Partners

Certain premium services are provided exclusively by Petsfolio Certified and Verified Service Providers.

Payments

Petsfolio supports secure online payments through the Client Application.

Depending on the selected service, payment may be required:

- Before booking confirmation
- After selecting a quotation
- During the booking process

Supported payment methods may include:

- UPI
- Credit Cards
- Debit Cards
- Net Banking
- Wallet Balance
- Other supported online payment methods

Successful payment confirms the booking whenever applicable.

Notifications

The Petsfolio Client Application sends notifications for important activities, including:

- Booking Confirmation

- Quotation Updates
 - Payment Confirmation
 - Service Provider Assignment
 - Booking Status Updates
 - Booking Reminders
 - Service Completion
 - Cancellation Updates
 - Promotional Offers
 - Loyalty Rewards
 - Important Announcements
-

Customer Support

Petsfolio Customer Support assists users with:

- Booking assistance
- Payment-related queries
- Service-related issues
- Technical support
- Account-related assistance
- General enquiries

Support availability may vary depending on the selected service.

Why Choose Petsfolio

Petsfolio provides a centralized digital platform for professional pet care with features including:

- Verified service providers
- Secure online booking
- Transparent quotations
- Secure online payments
- Real-time booking updates
- Multiple pet profile management
- Digital booking history
- Ratings and reviews
- Customer support

- Multiple pet care services through one application
-

Important General Rules

- Users must download the Petsfolio Client Application before booking any service.
 - Users must register before using the application.
 - Mobile number verification through OTP is mandatory.
 - Pets must be registered before booking any service.
 - Service availability depends on the selected location and provider availability.
 - Some services are available only for specific pet types.
 - Prices may vary depending on the selected service provider or package.
 - Booking confirmation may require successful payment.
 - Cancellation and refund eligibility depend on the applicable booking policy.
 - Some services require users to compare quotations before confirming a booking.
-

Frequently Asked Questions

What is Petsfolio?

Petsfolio is a digital pet care platform that connects pet parents with verified pet care professionals through the Petsfolio Client Application.

How do I download the Petsfolio Client Application?

You can download the Petsfolio Client Application using the official Google Play Store or Apple App Store links provided in the **Download the Petsfolio Client Application** section of this document.

Do I need the Petsfolio Client Application?

Yes. Booking and managing Petsfolio services requires the Petsfolio Client Application.

Do I need to register before booking?

Yes. Users must register using their mobile number and complete OTP verification before booking any service.

Do I need to add my pet before booking?

Yes. At least one pet must be registered before booking any Petsfolio service.

Which pets are supported?

Petsfolio currently supports Dogs and Cats. Service eligibility depends on the selected service.

What services does Petsfolio offer?

Petsfolio currently offers:

- Walking Service
- Grooming Service
- Training Service
- Pet Sitting
- Veterinary Consultation
- Pet Insurance

Are all services available everywhere?

No. Service availability depends on the selected location and the availability of verified service providers.

Can I manage multiple pets?

Yes. Users can register and manage multiple pets under the same account.

Are Petsfolio service providers verified?

Yes. Petsfolio works with verified professionals, and some premium services are provided exclusively by Petsfolio Certified and Verified Service Providers.

How are bookings confirmed?

Depending on the service, bookings are confirmed after successful payment or after selecting a quotation and completing payment.

Can I compare service providers before booking?

Yes. For services that use quotations, users can compare eligible service providers before confirming their booking.

How can I track my booking?

Users can track their booking directly through the Petsfolio Client Application.

Does Petsfolio provide secure online payments?

Yes. Petsfolio supports secure online payment methods through the Client Application.

Will I receive booking notifications?

Yes. The application sends notifications for booking confirmations, payment updates, provider assignments, booking status changes, cancellations, reminders, and service completion.

How can I contact Petsfolio Customer Support?

Customer Support can be accessed through the Petsfolio Client Application.

Why should I choose Petsfolio?

Petsfolio provides a trusted and convenient platform where pet parents can discover verified professionals, compare quotations, book services, make secure payments, track bookings, and manage their pets through a single mobile application.

Walking Service

About Walking Service

The Petsfolio Walking Service connects pet parents with verified and trusted professional dog walkers through the Petsfolio Client Application. The service is designed to ensure that dogs receive regular exercise, physical activity, and outdoor walks based on their individual needs.

Before booking a Walking Service, users must download the Petsfolio Client Application, register their account, complete OTP verification, and add at least one dog profile.

The Walking Service is available only for **Dogs**.

Petsfolio offers two types of Walking Services:

- Regular Walking Service
 - Elite Walking Service
-

Regular Walking Service

The Regular Walking Service allows pet parents to customize their booking according to their dog's exercise requirements.

During booking, users can select:

Walking Frequency

- Once a Day
- Twice a Day
- Thrice a Day

Walk Duration

- 30 Minutes
- 60 Minutes

Available Packages

- Express Package (3 Days)
- Short-Term Package (7 Days)
- Mid-Term Package (15 Days)
- Long-Term Package (30 Days)

Schedule

Users can choose:

- Weekdays
- All Days

Users must also select:

- Preferred Service Start Date
- Preferred Walking Time

Optional Add-ons

The following add-on services are available during booking:

- Poo Picking
- Paw Cleaning

- Combing

Add-ons may involve additional charges depending on the selected service.

Service Provider Quotations

After the booking request is submitted, it is shared with nearby verified service providers based on the selected location and service availability.

Interested service providers submit quotations through the Petsfolio platform.

Pet parents can:

- Compare multiple quotations
- View service provider profiles
- Review ratings and experience
- Compare pricing
- Select the preferred service provider

The booking is confirmed after selecting a quotation and completing the required payment.

Active Walking Service

After booking confirmation, the walking service appears in the **Active Services** section of the Petsfolio Client Application.

Users can:

- View booking details
 - View assigned walker details
 - Track the service status
 - Review the selected package and schedule
 - Access booking information
-

Extend Walking Service

Pet parents can extend an existing Walking Service without creating a new booking.

To extend a service, users can:

- Select a new package
- Choose the preferred duration
- Select preferred timings
- Submit the extension request

The request is sent to the assigned service provider for approval.

Extension request statuses include:

- Pending
- Accepted

Payment is required after the service provider accepts the extension request.

Replace Walker

If a pet parent is not satisfied with the assigned walker, they can request a replacement.

Common reasons include:

- Walker unavailable for scheduled walks
- Poor punctuality
- Unprofessional behaviour
- Other service-related concerns

Petsfolio reviews the request and assigns another suitable verified walker based on availability.

Cancel Walking Service

Users can cancel an upcoming or active Walking Service through the application.

Cancellation eligibility, refunds, and wallet adjustments are processed according to the applicable cancellation policy.

Elite Walking Service

The Elite Walking Service is Petsfolio's premium walking service provided exclusively by Petsfolio Certified and Verified Service Providers.

Elite Walking Service includes:

- Certified and verified walkers
- Priority service provider matching
- 24/7 customer support
- Complimentary Paw Cleaning
- Complimentary Combing

Poo Picking is available as an optional paid add-on.

Walking Frequency

- Once a Day
- Twice a Day
- Thrice a Day

Walk Duration

- 30 Minutes
- 60 Minutes

Elite Packages

- Paw Start (30 Days)
- Paw Prime (60 Days)
- Paw Elite (180 Days)
- Paw Royal (365 Days)

Schedule

Users can choose:

- Weekdays
- All Days

After payment, the booking is initially created with the status:

Service Provider Not Assigned

Once a certified Elite walker is assigned, the booking moves to the Active Services section.

Upgrade to Elite

Pet parents can upgrade an existing Regular Walking Service to Elite Walking Service before a service provider has been assigned.

If applicable, users must pay the additional amount required for the Elite package.

Once a service provider has been assigned, the upgrade option is no longer available.

Service Availability

The Walking Service is currently available in selected locations, including:

- Hyderabad
- Mumbai
- Bengaluru
- Tamil Nadu

Service availability depends on the selected location and the availability of verified service providers.

Walking Service Frequently Asked Questions (FAQs)

What is the Petsfolio Walking Service?

Petsfolio Walking Service connects pet parents with verified professional dog walkers who provide scheduled walking services through the Petsfolio Client Application.

Which pets are supported?

Walking Service is currently available only for Dogs.

Do I need to register before booking?

Yes. Users must register, complete OTP verification, and add at least one dog profile before booking.

How do I book a Walking Service?

Download the Petsfolio Client Application, register your account, add your dog, choose Walking Service, select the preferred package, submit the booking request, compare quotations (for Regular Walking Service), choose a service provider if applicable, and complete the payment.

What walking frequencies are available?

- Once a Day
 - Twice a Day
 - Thrice a Day
-

What walk durations are available?

- 30 Minutes
 - 60 Minutes
-

What packages are available for the Regular Walking Service?

- 3-Day

- 7-Day
 - 15-Day
 - 30-Day
-

What packages are available for the Elite Walking Service?

- Paw Start (30 Days)
 - Paw Prime (60 Days)
 - Paw Elite (180 Days)
 - Paw Royal (365 Days)
-

What add-ons are available?

Regular Walking Service offers:

- Poo Picking
- Paw Cleaning
- Combing

Elite Walking Service includes Paw Cleaning and Combing at no additional cost, while Poo Picking is available as an optional paid add-on.

Can I compare quotations before booking?

Yes. Regular Walking Service allows users to compare quotations from nearby verified service providers before confirming the booking.

How is Elite Walking Service different from Regular Walking Service?

Elite Walking Service is provided by Petsfolio Certified and Verified Service Providers and includes priority provider matching, 24/7 customer support, and complimentary Paw Cleaning and Combing.

Can I extend my Walking Service?

Yes. Users can request an extension by selecting a new package and preferred schedule. The assigned service provider must approve the request before payment.

Can I replace my assigned walker?

Yes. Users can request a replacement if they are dissatisfied with the assigned walker. Petsfolio reviews the request and assigns another suitable service provider based on availability.

Can I cancel my Walking Service?

Yes. Walking Services can be cancelled according to the applicable cancellation policy. Refunds and wallet adjustments, if eligible, are processed based on the booking terms.

Can I upgrade from Regular Walking Service to Elite Walking Service?

Yes. Users can upgrade to Elite Walking Service before a service provider has been assigned to the booking.

Where is the Walking Service available?

Walking Service is currently available in selected locations, including Hyderabad, Mumbai, Bengaluru, and Tamil Nadu. Availability depends on service coverage and verified provider availability.

Grooming Service

About Grooming Service

The Petsfolio Grooming Service connects pet parents with verified professional pet groomers through the Petsfolio Client Application. The service is designed to maintain the hygiene, health, comfort, and overall well-being of pets by providing professional grooming services at the preferred service location.

Before booking a Grooming Service, users must download the Petsfolio Client Application, register their account, complete OTP verification, and add at least one pet profile.

The Grooming Service is available for both **Dogs** and **Cats**.

To book a Grooming Service, users select their pet, choose the preferred grooming package, select the Service Start Date and Preferred Service Time, add optional services if required, confirm the service address, and submit the booking request.

Grooming Packages

Petsfolio offers the following grooming packages:

Basic Package

The Basic Package includes:

- Shampoo Bath
- Blowing
- Combing

Anti-Tick Bath Package

The Anti-Tick Bath Package includes:

- Anti-Dandruff Treatment
- Anti-Flea Treatment
- Anti-Tick Treatment

Hair Trimming Package

The Hair Trimming Package allows users to select one of the following grooming styles:

- Semi Trim
- Full Trim
- Stylish Trim

Only one trimming style can be selected for each booking.

Optional Add-on Services

Users can enhance their grooming booking by selecting optional add-on services at an additional cost.

Available add-ons include:

- Ear Cleaning
- Anal Gland Cleaning
- Knot Removal
- De-shedding
- Nail Clipping
- Mouth Spray
- Body Massage
- Paw Massage
- Dash of Cologne
- Sanitary Clipping
- Eye Cleaning
- Teeth Cleaning

Add-ons are optional and can be selected during the booking process.

Service Provider Quotations

After the grooming booking request is submitted, it is shared with nearby eligible service providers based on the selected location and availability.

Interested service providers review the request and submit quotations through the Petsfolio platform.

Pet parents can:

- Compare multiple quotations
- View service provider profiles
- Check ratings and customer reviews
- View previous grooming service photos
- Chat with service providers before confirming the booking

The booking is confirmed after selecting a quotation and completing the required payment.

Active Grooming Service

After the booking is confirmed, it appears in the **Active Services** section of the Petsfolio Client Application.

Users can view:

- Selected grooming package
- Selected add-ons
- Service Start Date
- Preferred Service Time
- Service Address
- Pet Details
- Assigned Service Provider Details

A **Call** option is available to contact the assigned service provider directly.

Grooming Service Status

The grooming service progresses through the following statuses:

- Not Started
- In Progress

Once the grooming session begins, users can:

- Approve the service
- Reject the service
- Terminate the service if required

Users can also cancel the booking before the service begins, subject to the applicable cancellation policy.

Grooming Service Frequently Asked Questions (FAQs)

How do I book a Grooming Service?

Select your pet, choose the grooming package, select the preferred service date and time, add optional services if required, confirm the service address, submit the booking request, compare quotations, select a service provider, and complete the payment.

What grooming packages are available?

Petsfolio offers:

- Basic Package
 - Anti-Tick Bath Package
 - Hair Trimming Package
-

What is included in the Basic Package?

The Basic Package includes Shampoo Bath, Blowing, and Combing.

What is included in the Anti-Tick Bath Package?

The Anti-Tick Bath Package includes Anti-Dandruff Treatment, Anti-Flea Treatment, and Anti-Tick Treatment.

What hair trimming styles are available?

Users can choose one of the following:

- Semi Trim
- Full Trim
- Stylish Trim

Only one trimming style can be selected for each booking.

What optional add-ons are available?

Available add-ons include Ear Cleaning, Anal Gland Cleaning, Knot Removal, De-shedding, Nail Clipping, Mouth Spray, Body Massage, Paw Massage, Dash of Cologne, Sanitary Clipping, Eye Cleaning, and Teeth Cleaning.

Are add-ons included in the grooming package?

No. Add-ons are optional and are charged separately.

Can I receive quotations from multiple service providers?

Yes. Eligible nearby service providers can submit quotations, allowing users to compare pricing and provider details before confirming the booking.

Can I chat with the service provider before booking?

Yes. Users can communicate with service providers through the in-app chat before confirming the booking.

Can I view the service provider's profile?

Yes. Users can view the provider's profile, ratings, customer reviews, and previous grooming service photos.

Where can I view my confirmed booking?

Confirmed bookings appear in the **Active Services** section of the Petsfolio Client Application.

What information is available in Active Services?

Users can view the selected package, add-ons, service date, preferred time, service address, pet details, assigned service provider details, and current booking status.

Can I contact the assigned service provider?

Yes. A Call option is available within the Active Service details.

Can I cancel my Grooming Service?

Yes. Grooming Services can be cancelled according to the applicable cancellation policy.

What do the booking statuses mean?

- **Not Started** – The assigned groomer has not yet started the service.
- **In Progress** – The grooming session is currently underway.

Can I approve or reject the grooming service?

Yes. Once the service has started, users can either approve the completed service or reject it if they are not satisfied.

What is the Terminate Service option?

Terminate Service allows users to stop an ongoing grooming session before it is completed, if necessary.

Can I book Grooming Service for multiple pets?

Yes. Users can book Grooming Services for each pet registered in their Petsfolio account.

Is Grooming Service available everywhere?

No. Grooming Service availability depends on the selected location and the availability of verified service providers.

How will I know when a service provider responds?

Users receive in-app notifications whenever a quotation is received or the booking status changes.

Training Service

About Training Service

The Petsfolio Training Service connects pet parents with verified professional pet trainers through the Petsfolio Client Application. The service is designed to improve a dog's obedience,

behaviour, socialization, and overall discipline through structured and personalized training programs.

Before booking a Training Service, users must download the Petsfolio Client Application, register their account, complete OTP verification, and add at least one dog profile.

Training programs are customized based on the dog's age, breed, behaviour, and individual learning requirements, helping pet parents build a stronger bond with their pets through positive and effective training methods.

The Training Service is currently available only for **Dogs**.

To book a Training Service, users select their dog, choose a training package, select the Service Start Date and Preferred Service Time, add optional training modules if required, confirm the service address, and submit the booking request.

Training Packages

Petsfolio offers four professional training packages.

Puppy Training (6 Sessions)

Designed for puppies to develop basic obedience and essential habits.

Optional Add-on Modules

- Counting (1 to 5)
- Close Door
- Open Door
- Walk Backwards
- Clean Up
- Walk Between the Legs
- Guard
- Lie Down
- Watch

Optional training modules are available at an additional cost.

Service Provider Quotations

After the booking request is submitted, it is shared with nearby eligible Petsfolio trainers based on the selected location and service availability.

Interested trainers review the request and submit quotations through the Petsfolio platform.

Pet parents can:

- Compare multiple quotations
- View trainer profiles
- Check ratings and customer reviews
- View previous training photos
- Chat with trainers before confirming the booking

The booking is confirmed after selecting a quotation and completing the required payment.

Active Training Service

Once the booking is confirmed, it appears in the **Active Services** section of the Petsfolio Client Application.

Users can view:

- Selected training package
- Service Start Date
- Preferred Training Time
- Service Address
- Pet Details
- Assigned Trainer Details

Users can also:

- View the trainer's profile
 - Contact the trainer
 - Request a trainer replacement
 - Cancel the training service according to the applicable cancellation policy
-

Training Progress Approval

During each training session, the assigned trainer updates completed training commands in the application.

After a command is marked as completed, the pet parent receives a notification to review the training progress.

Users can:

- Approve the completed command
- Reject the completed command

If a command is approved, it is recorded as successfully completed.

If a command is rejected, the trainer is notified and can retrain the pet before resubmitting the command for approval.

Training Service Frequently Asked Questions (FAQs)

What is the Petsfolio Training Service?

Petsfolio Training Service connects pet parents with verified professional trainers who provide structured training programs to improve a dog's obedience, behaviour, discipline, and socialization.

Which pets are supported?

Training Service is currently available only for Dogs.

Do I need to register before booking?

Yes. Users must register, complete OTP verification, and add at least one dog profile before booking a Training Service.

How do I book a Training Service?

Select your dog, choose a training package, select the preferred service date and time, add optional training modules if required, confirm the service address, submit the booking request, compare quotations, select a trainer, and complete the payment.

What training packages are available?

Petsfolio offers:

- Puppy Training (6 Sessions)
 - Intermediate Training (15 Sessions)
 - Behaviour Training (20 Sessions)
 - Advanced Training (30 Sessions)
-

Can I choose additional training modules?

Yes. Optional training modules are available for every package at an additional cost.

Can I receive quotations from multiple trainers?

Yes. Eligible trainers can submit quotations, allowing users to compare pricing and trainer details before confirming the booking.

Can I chat with trainers before booking?

Yes. Users can communicate with trainers through the in-app chat before confirming the booking.

Can I view the trainer's profile before booking?

Yes. Users can view trainer profiles, customer ratings, reviews, previous training photos, and verification details before selecting a trainer.

Where can I view my confirmed booking?

Confirmed bookings appear in the **Active Services** section of the Petsfolio Client Application.

What information is available in Active Training Service?

Users can view the selected training package, service date, preferred time, service address, pet details, assigned trainer details, and current booking status.

Can I contact my assigned trainer?

Yes. A Call option is available within the booking details.

Can I replace my assigned trainer?

Yes. Users can request a replacement trainer if they are not satisfied with the assigned trainer.

Can I cancel my Training Service?

Yes. Training Services can be cancelled according to the applicable cancellation policy.

How does training progress approval work?

After a trainer completes a training command, the pet parent receives a notification to review it. The completed command can be either approved or rejected through the application.

What happens if I reject a completed training command?

The trainer is notified and can retrain the pet before submitting the command again for approval.

Can I book Training Service for multiple pets?

Yes. Separate training bookings can be created for each registered dog.

Is Training Service available everywhere?

No. Training Service availability depends on the selected location and the availability of verified Petsfolio trainers.

What notifications will I receive?

Users receive notifications for booking confirmation, quotation updates, payment confirmation, trainer assignment, booking status updates, completed training commands awaiting approval, service completion, and cancellations.

How can I contact Petsfolio Customer Support?

Customer Support can be accessed through the Support section of the Petsfolio Client Application.
